HMRC - SDLT eSUBMISSIONS

Laserform has produced SDLT e-Submissions, a product providing unparalleled speed and accuracy in SDLT submissions. With SDLT e-Submissions, the transmission of a completed return to HMRC is virtually instantaneous. The validation is performed on receipt, and confirmation of successful filing is returned to the submitting practitioner within seconds. Once that confirmation is received, the Land Transaction Return Certificate (SDLT5) can be produced in Laserform.

SDLT forms used with eSubmissions (only supplied with eSubmissions, not available separately)
