This edition of *Shaw & Sons' Law Forms Catalogue* is the largest and most comprehensive we have ever produced.

It covers a wide range of forms in common use, as well as many others that are needed from time to time, but are difficult to track down in a hurry. Most items are available by return, from stock, or within a very short period.

With the advent of modern technology we have been able to format and store many forms digitally and we are now able to offer a wider range than previously.

All of our forms are available either in printed version or on disk, using *Shaw's Forms on Disk* software. Brief details are given at the back of this catalogue but, for full information, please contact our Forms on Disk Department.

Although every effort is made to ensure that our products are up-to-date and completely correct, it of course remains the responsibility of the user to ensure that any particular form is suitable for the purpose for which it is intended to be used. We would, however, welcome any suggestions for amendments or improvements.
