

Ballot Paper 'Grass Skirt' Sheets

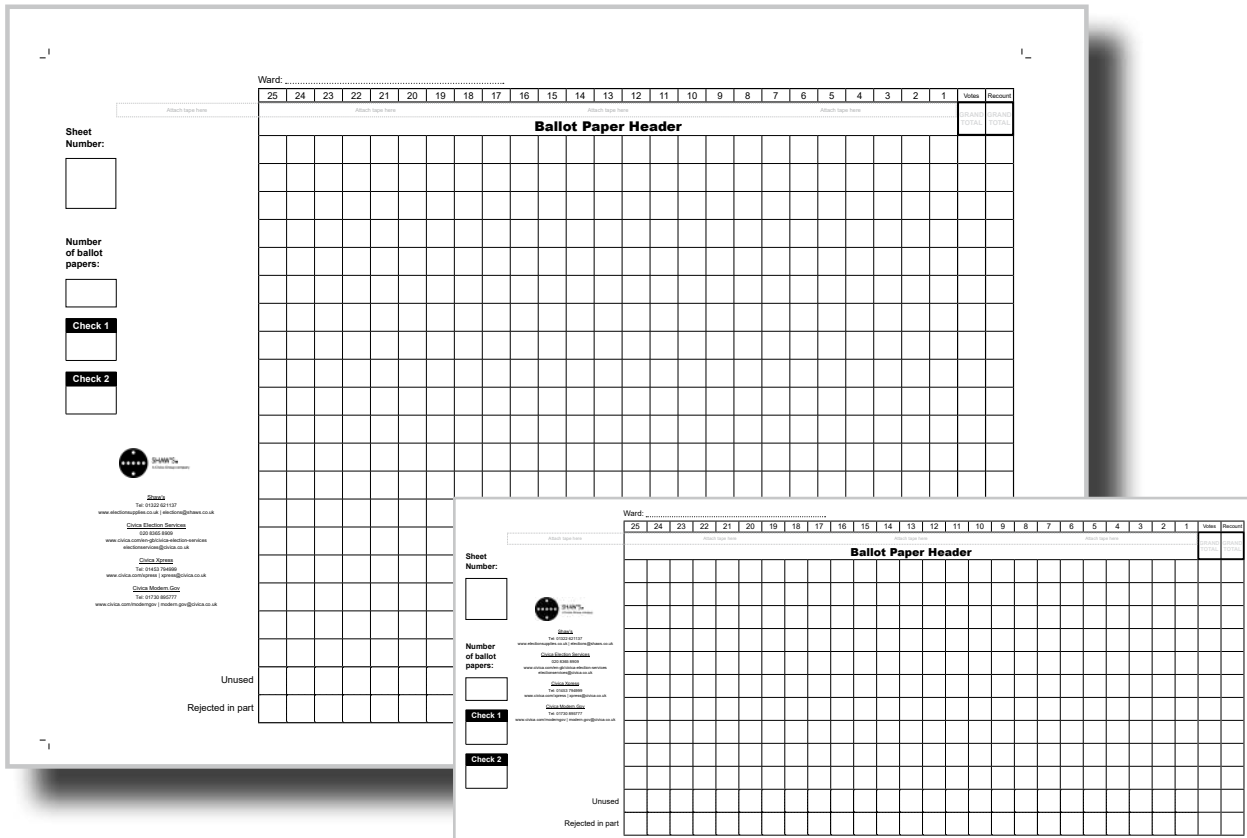

For use at the count for elections where there is the option to vote for more than one candidate.

Ballot papers attach to the self-adhesive tape at the top of the sheet for an effective means of counting and verifying the number of votes for each candidate.

We offer a choice of two sizes. Both sizes cater for 25 ballot papers across, and up to 10 or 19 candidates down, with one line for unused votes and one line for votes rejected in part.

Supplied in 50s.

Bespoke options are also available, please enquire for details.
