Tributes HighDown Urn

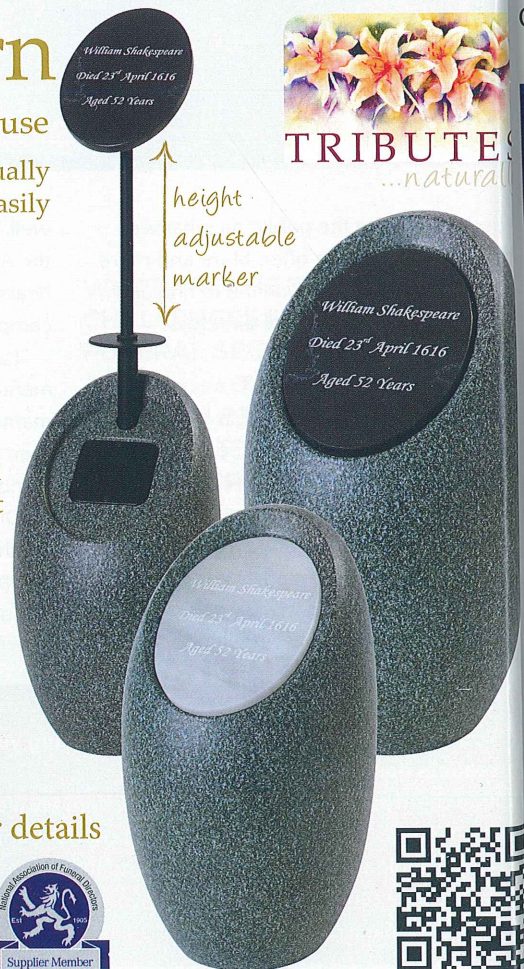

A stylish urn for indoor or outdoor & above or below ground use

The granite-effect HighDown™ Urn can be kept at home, and will look equally attractive indoors or in the garden. It may also be buried, but can be easily relocated if required.

- Also suitable for a niche or columbarium setting
- Plaque & Marker set available separately
- In-house laser engraving service

Below ground, the unique marker system allows for easy landscape maintenance, urn location and retrieval.

Plaques are available in black slate or white marble & may be positioned in landscape or portrait orientation on the height-adjustable marker post
